INT. SCREAM STREAM SET - INTRO

The set of Scream Stream is dressed with various horror elements scattered on shelving, tables, etc. The set is also modern in look and aesthetic. LED accent lights, Monitors with social media updates, etc. Both of our hosts are situated on the couch as the camera slowly zooms in.

HOST 1:

Hello! Welcome to Scream Stream, as a part of this special preview weekend of Chopping Block, the exclusive programming block of Kings of Horror! I'm your host, (insert name here) and I am joined by, well, I don't know what her/his official title is, but this is (insert name here).

Host 1 motions to a person sitting next to them, using their hands like a showcase model on The Price is Right, but unenthusiastically and awkwardly

HOST 2

I guess I am the co-host?

HOST 1

Yeah, sure, okay.

HOST 2

(slowly and softly)

Nice.

HOST 2 does a slow fist pump during his line

HOST 1

(trying to understand what just happened)

Anyway... tonight we want to take you to a place when you were younger, dumber, happier; warm nights,

They're interrupted by HOST 2, who seemingly has no concept of timing. The camera jerkily pans so both of them are in the shot.

HOST 2 (NERVOUSLY):

And I'm (insert name)! Welcome welcome, (to HOST 1) sorry, I got excited.

BETH looks behind the camera, points to BEN and mouths "Is he okay?"

MYSTERIOUS VOICE FROM OFF CAMERA
Just keep going, don't worry about it.

HOST 2
I haven't been invited to a movie night in SO long

HOST 1:
Really? I... I can't imagine why.

(The camera adjusts to properly frame HOST 1 & 2)

HOST 1 (REFOCUSING) (CONT'D)
Where were we? Oh! long rambling conversations with friends, all with the accompaniment of a Siren-esque woman, who may or may not try to convert you into a Lovecraftian tentacle creature! What could possibly go wrong???

HOST 2 (SLIGHTLY CONCERNED)
(Insert HOST 1 Name)... I mean lots. What if you can't go into work on Monday and you get fired, (Gasps) oh, and what if you have pets...the poor pets!

HOST 1
(Insert HOST 2's Name)I... I wasn't literally asking you what could go wrong...(Clearly tries to refocus on the task at hand) Why don't you tell the folks a little bit more about our show before we get into tonight's feature, The Corrupted.

HOST 2
Absolutely! Again, This is Scream Stream, where we connect you to the pulse of Indie Horror! Join us each week as we showcase and discuss a feature film, plug new and upcoming indie horror film projects, interview guests and much more!

HOST 1

The best part is you can join us in the action and help control the landscape of this show! We will be asking poll questions, featuring your tweets about the film being shown, and ask you to help vote on a movie we show each month!

Camera is framed in on just HOST 2

HOST 2

Annnnnnd! This is just the first show on the block. Yeah...That's right. Our second show will feature a rotating set of horror hosts that will guide you through another film. More on that at the first break!

Camera is framed on Host 1 & Host 2

HOST 1

Without further ado, let's drive out to the lake and see what our group of partiers has in store for them in "The Corrupted". The film that preaches "It's All Fun & Games Until Someone Gets Infected."

HOST 2 (RECALLING)

Isn't that the truth...Let me tell you...Gonorrhoea is NO joke! You feel like you have to pee ALOT! And....

HOST 1 (DISGUSTED/INTERRUPTING)

Oh..Ok.. Yeah. Mhmmm Sharing. Sharing too much right now. I need 5.

HOST 1 Walks out of frame.

HOST 2

Sorry!!! You saying the tagline just uncovered a deep memory for me! Ugh. Start the flick.....

FADE OUT.

PLAY THE CORRUPTED 0:00:00 - 0:24:10

FADE IN

INT. SCREAM STREAM SET - HOST BREAK 1

Camera is zoomed in on an item on the table as you begin to hear the dialogue of our hosts.

HOST 1

This one is gonna be a sloooooow burn, I can feel it! But you know what (Insert HOST 2's Name)? That's okay, The simple fact that this film exists already puts it in amazing company when it comes to horror. Shot in only 17 days, the Corrupted joins Black Christmas, Videodrome, In The Mouth of Madness, and Dead Ringers, just to name a few, to be shot in Ontario, Canada!

HOST 2

(Insert HOST 1's Name), do they camp much in Canada?

HOST 1

Why would I know? What gives you the idea that I would have any inkling about the habits of our neighbors in the great white north?

HOST 2

Well, you know.

HOST 2 looks at HOST 1 in a knowing type of way

HOST 2 (CONT'D)

You're Canadian.

HOST 1

(Shaking head
incredulously)
Not accurate at all.

HOST 2

(Equally incredulous)
No?

HOST 1

No.

There is a beat of silence where they both sit and stare ahead

HOST 2

But, well, do they camp much up there?

(Host 2 nervously points directly up, like a monster might hear or see him do it.)

HOST 1

I guess? This movie is all I have to go on for the answer you want. Actually, I am just going to change the subject.

HOST 2

Give me 5 minutes, and I won't even remember what we were talking about.

HOST 1

That is, well, that's equally concerning and unsurprising.

HOST 2

BUT I do remember that we have to talk about the second show of our block! Again, each week will feature a different Horror Host guiding you through another feature film or block of short films. This group includes Mr. Lobo, The Mummy & The Monkey, Malvolia: The Queen of Screams, & Dr. Sarcofiguy!

HOST 1

In fact, since this is our special free preview of the block, which after tonight you'll only be able to catch on Kings of Horror Plus, you get to get a taste of all four horror hosts as they each will be hosting 2 shorts after the completion of The Corrupted.

HOST 2

Let patch in The Mummy & The Monkey & Mr. Lobo and get a quick word on what kind of shorts we can expect during the block tonight.

Insert scripted exchanged of Lobo & M&M

HOST 1

Can't wait to check out those in just a bit. We'll check in with Malvolia and Dr. Sarcofiguy on their shorts at the next break

HOST 2

We just posted a question on our Twitter page, @KOHScreamStream, let us know....
